HISTORIC DISTRICT

The nicest part of the visit is to walk along St. George Street and take in the historic elements. Enjoy the homemade bread and fudge shops, the view of the water and ships across the street, and the unique shops to browse. It is a cobblestone street, so it will be important to have good walking shoes. If you are unable to safely walk the streets, there are many horse-drawn carriages that could take you around the city. Don't miss out!
